Halloween: Friends Dressing Up

Smile for the camera!

Halloween Day was a fun one for all. Many showed their spirit by dressing up. Enthusiasm was promoted by a dress-up contest sponsored by ASB. Not only students participated teachers also got involved. This day was certainly a terrific and memorable day for all, a day that greatly added to the enjoyment and excitement during the school year.

Janice Panagos shows her Halloween spirit

Spirit Of '82

Julie and Deanna having a good time always.

Julie trying to get the crowd going.

Throughout the year, a great amount of spirit was shown through our rallies. Not only from the pep squads, but also by the students. With the support of the Pius X community our football team managed to be victorious.

Tim, George, Andy, and Paul encourage the students to come to the game.

Sophomores go wild with spirit.

Everyone sings the alma mater after our victory.

"Precious Times"

This couple takes time out to smile for the camera.

Miss Succa is pleased with the turn-out after weeks of hard work.

Couples dance to the music enjoying the evening.

This year the Homecoming dinner and dance was held at the Holiday Inn, in Long Beach. Over 150 couples attended and everyone thoroughly enjoyed themselves. The entertainment was provided by a DJ who played a variety of music throughout the evening. Pictures were taken by Wally and Wayne. The students agreed that this years homecoming dance was a tremendous success.

Katie and Ramon enjoy their evening together.

Princess Deanna takes a break.

These couples take a few minutes off the dance floor to visit.

Homecoming Game '81

Princess Rita D'Orazio was all smiles as she posed for the camera at the Homecoming game.

The 1981 Homecoming Court shows much enthusiasm as their picture is taken.

Memories of past and present were presented at the 1981 Homecoming game as alumni, faculty, and students got together to celebrate this magical moment. It was not just a magical moment for the people congregated in the stands, but also for the 1981 Warrior football team as they completed their first undefeated regular season with a 22-7 victory over visiting St. Genevieve and clenching the title of the Mission League champs!

Caught in action while doing a cheer, Raquel Arboleas shows her facial expressions.

Denise Fish expresses her joy as she is crowned the 1981 Homecoming queen.

1980-81 Homecoming Queen Liz Arroyo is escorted by Higinio Bonilla.

This year the Homecoming Assembly was different. It was held after school, with the option of attending. There was a large turn out which shows you the pride Pius students have. Cheer Captain, Julie Kristoff, lead the school in a couple of cheers before the princesses were introduced for the first time. Performances were also made by Flag and Song. Finally the lights went dim and the princesses began to walk toward the stage. As the five girls stood on the stage, the students all wondered who the queen would be. Voting took place after the assembly.

The football team is attentive as the princesses are introduced.

Welcome Juniors!-Ring Ceremony

Fr. Hill explains the meaning of the rings.

Stacie and Corrina smile for the camera.

Susan smile after receiving her ring.

This year the traditional ceremony of the distribution of rings was once again a smashing success. Fr. Hill explained to the juniors about the ring and its significance and then Robert and Cherise gave out the rings to their fellow classmates. With thanks to the sophomore class refreshments were served following the closing of the event.

The class rings were flashed for days after by many proud owners, owners who were now official members of the Pius family and only one step away from seniority.

Arkie walks away proudly.

Monica and Louie discuss the ceremony over some cake.

Rita and Donny Remember the days they received their class rings.

Could it be love?

Christmas Dance

This year the Christmas Dance was a truly jolly success. With a large turn-out and a great D.J. the gym was rockin' all night.

Wally and Wayne photographers were there taking pictures and many people took advantage of their services.

Santa was there and so were a couple of elves.

Students showed up in the latest winter fashions and all agreed that the atmosphere was just right for this holiday event.

Kids rock their stockings off!

Toy Drive: Helping Our Friends

Santa's helpers goof around.

"Can you figure it out, Andy?"

A loney toy, soon to bring a child joy.

The party was a blast for everyone!

This year we did something great. Under the direction of Ms. Sullivan we collected toys for children, who otherwise wouldn't have received anything.

Almost everyone cooperated, which made this wonderful effort a terrific success.

Students of religion classes wrapped the gifts and delivered them to the awaiting children. There was a party and all involved truly experienced the true meaning of Christmas!

Doners enjoy a snack after giving.

Susan reassures Mike.

Warriors - Undefeated Season

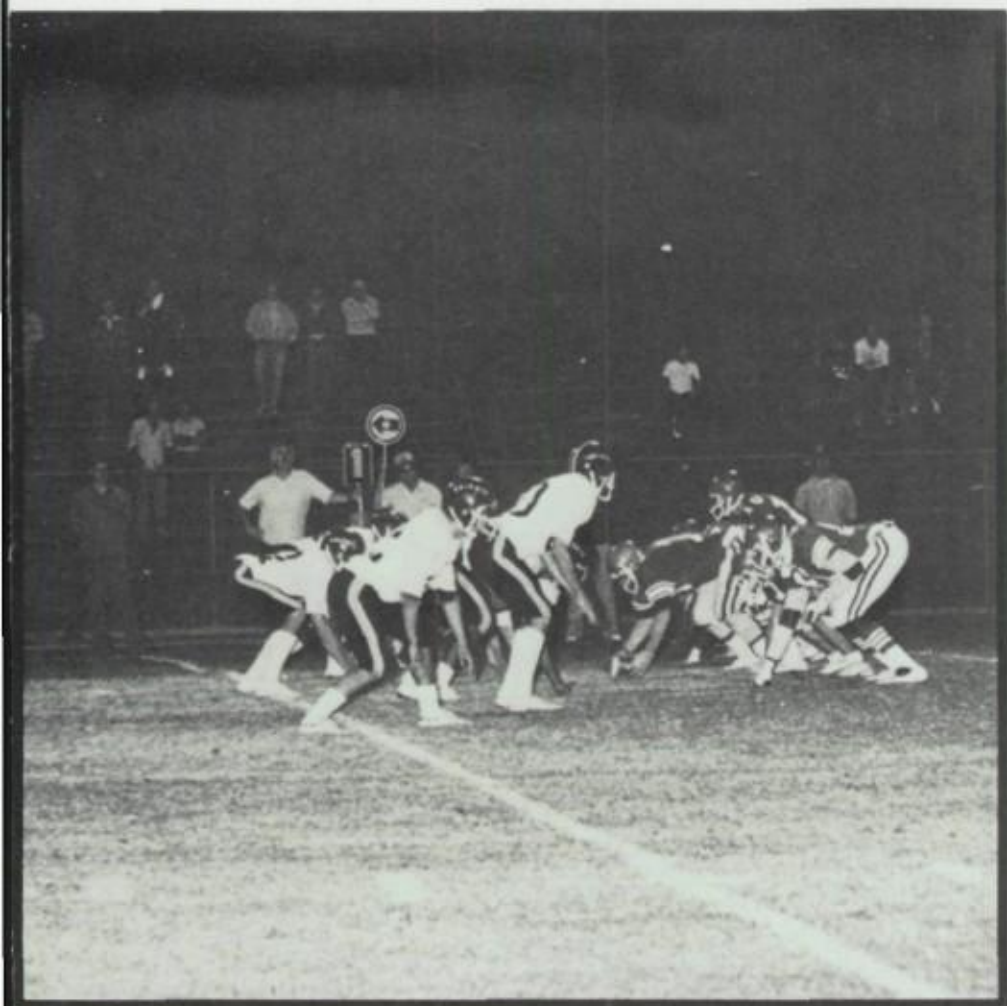

The "Mean Warrior Machine" on their marks.

Warriors hustle to their half time pep-talk

From left to right. Bottom row: G. Garcia, A. Castillo, F. Deras, M. Montoya, M. Gallegos, A. Lang, J. Curi, M. Mejia, A. Figueiroa, A. Hawkins. Second row: K. Miles, J. Corona, D. Stanseil, D. Nevarez, E. Oakley, Coach LaVigne

This year the Warriors "War Dogs" made Pius X history by being the first varsity team ever to go undefeated. This was partly because of the dedication coach Dan Castanon showed and also due to the fighting nature of the "War Dogs".

In the game against St. Bernard's, even though the odds were against them, the Warriors came through victoriously. St. Bernards' went down to a miserable defeat. Next the "War Dogs" literally destroyed Cantwell. The final score certainly proves it. The biggest game however, was undoubtedly our Homecoming game against St. Genevieve. The Warriors unmercifully beat the Valiants, taking the title of "Mission League Champs" with a 9 and 0 record.

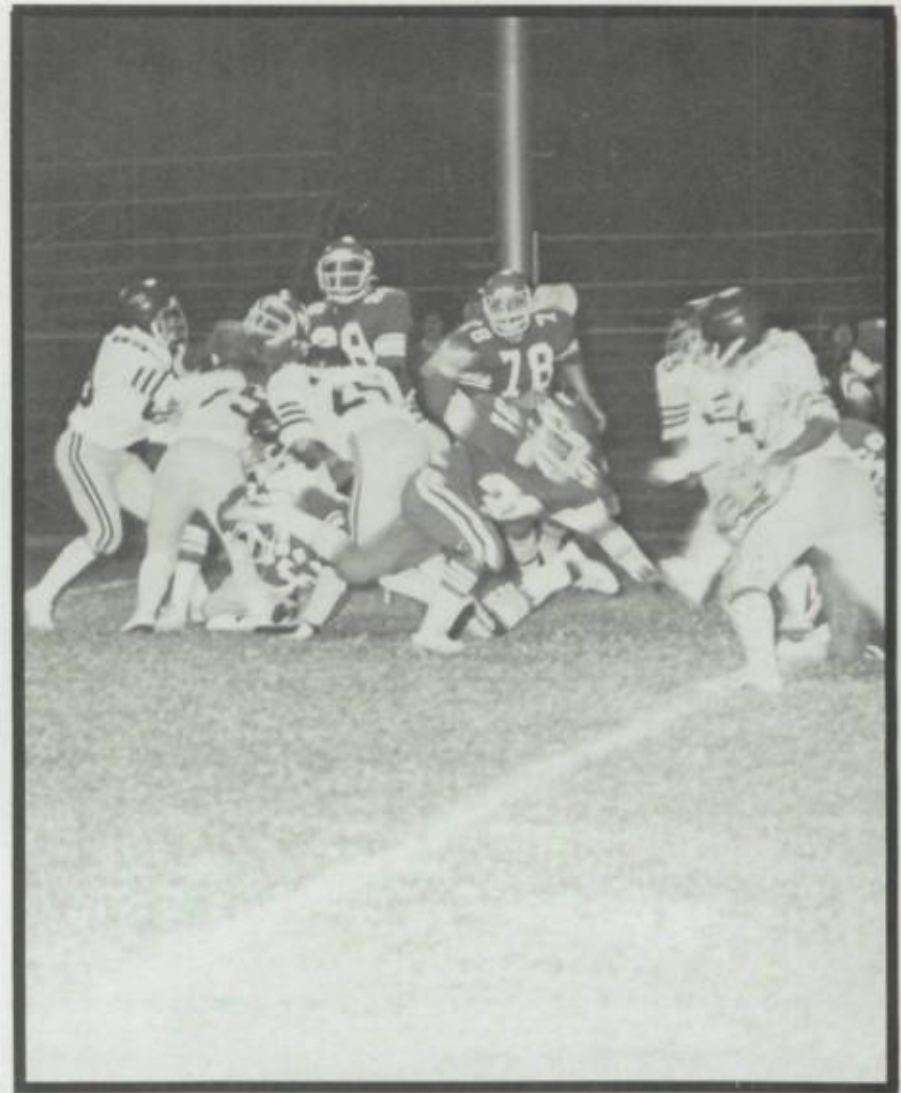

The Warriors show their team unity.

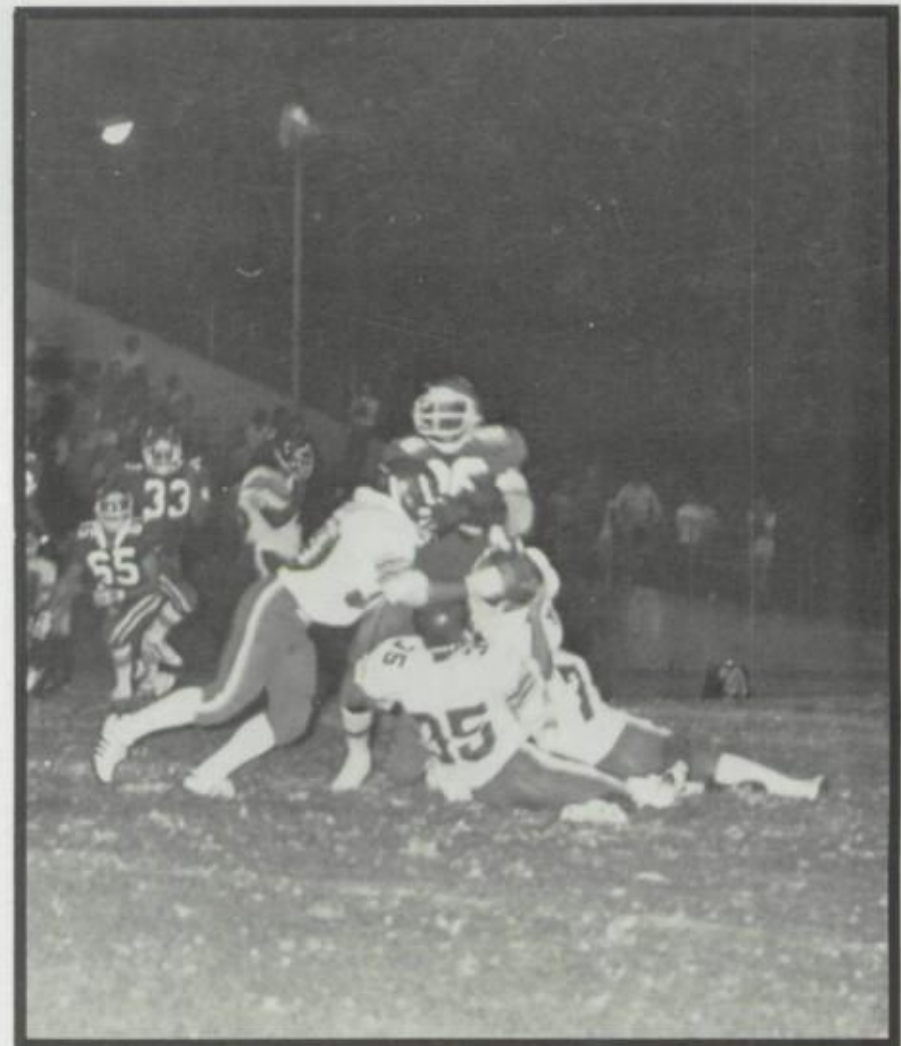

The "War dogs" charge to victory.

The Warriors clash on the battle field.

The Warriors out-muscle their opponents.

It was a new experience for all of them to be playing at a high school but it sure didn't stop them from trying their hardest. Warrior Women Capture League Title

Although getting off to a slow start in league, the girls came back to capture first place in the Angelus League. In pre-season the Warriors won third place in the Downey Tournament and the championship in the Estancia Christmas Tournament. The team consisted of four seniors, five juniors, and one sophomore. The girls went to the mountains for a break-in-the season trip. This brought the girls together not only on the court, but off the court as well. One of the main highlights in the season was when the "Lady Warriors" upset St. Joseph's who were undefeated in league. Much of their success is credited to the excellent coaching of Donna Wade and the support of Mike and Chuck.

This year has brought about alot of changes, with it new officers. They have helped make the arrival of our new principal a good thing for Pius X High School. The leadership qualities they have shown have been an inspiration to the younger leaders of our community. In appreciation of their good job we say THANK YOU.

Senior Class Officers

This year the Senior Officers carried on the spirit shown by previous graduating classes, if not more. Through their efforts and hard work homecoming and other events were very successful.

These eight students certainly set a good example for the "seniors" to be! The unity they encouraged in both school and class activities surely showed the leadership expected.

Junior Class Officers

The Juniors worked very hard this year to make Prom a success. They sold M&M's, held the Christmas Dance, sold Bonus Books and just about everything else they could to raise the necessary money. They should be proud of their endeavors.

Under the new direction of Mr. Vitale, the Sophomore class officers have pulled together to make all their projects a success. After a rough Freshman year, the Sophomore class had become a real united class. With Homecoming Week the highlight of the year, the Sophomores broke tradition with everyone helping on their spirit day, to win MOST SPIRITED CLASS! Also with participation in bake sales, the Junior Ring Ceremony, and the Blood Drive you can tell the Sophomores enjoyed working together. Best of luck Sophomores and make the next two years here at Pius X unforgettable.

Sometimes it helps to turn into the Incredible Hulk for help when you are the president of the Freshman Class.

It is often very hard to adjust to the life of high school, so it helps to have very competent leaders help make that transition easier. We at Pius feel that the officers picked by our freshman have filled these shoes very well. Hopefully as the years go on they will develop their skills of leadership so as keep our school at its best by having the best officers.

Goofing around is all part of the act.

This year the Drama Club really had their act together. With the help of Mr. Kason and his great talents the club was able to share with the students at Pius X, the fine art of using yourself as a tool to express your most inner feelings.

Order! In The Court

The Law Club is a group at Pius X that have an interest in the legal aspects of life. Through this past year they have taken many field trips. But the favorites of these were those spent at South Gate Police Department and Downey Municipal Court where they were able to be present at an actual trial.

Social Action Gets Involved

Left to Right: Gloria Sanchez, Marlene Mc Donald, Rosemary Barraza, Irene Amescua, Kevin Solis, Tanya Hernandez, Marisol Meza, Nan Kim.

Marlene discusses upcoming events with a concerned student.

Although the Social Action Club did not get too much credit, they made many accomplishments thanks to Miss Sullivan. They helped make a lot of things happen which was their main goal. Two of their major achievements were the Christmas Toy Drive and the Thanksgiving Food Drive.

Bio-Med - 'Is There A Doctor In The House?'

Lina Graboritz, Jackie Cano, Antoinette Toney, Gayle Craig, Liz Perez, Irene Munios, litanya Thomas, Mary Gin, Nan Kim, Ana Alvarado (Pres.), Emma Parades

The Bio-Medical Club is a group which focuses it's attention on looking toward futures in the scientific field. Those that were involved had meetings and held functions in hope of learning just a little more about the world of medicine. Maybe someday we'll be able to call one of these girls up and ask for an appointment. Good Luck!

J.S.A. - Politicians Of The Future

Left to right, Top row: Debroah Moses, Second row: Tanya Hernandez, Liz Ramirez, Gayle Craig, Marlene Mc Donald, Lisa Bohon, Sonia Valentin, Josie Aristo, Sindy Segovia, Mary Gin, Nick Alonzo. Seated: litanyia Thomas, Emma Parades, Evangelina Hernandez, Caroline Leon, Monica Hernandez, Joyce Hertzog.

The Junior Statesman of America is a political organization throughout the state of California. It's purpose is to get students politically involved, by participating in debates, speaker programs, and lobby days.

The Pius X chapters goal was to get the Pius Community politically involved. Members of the chapter attended several conferences throughout the 1981-82 year, two of which were held in Los Angeles and Sacramento.

Maya Club - Expressing Themselves

M. Cabibbo, J. Perez, G. Jimenez, E. Lara, K. Quiroz, Y. Talamontes, M. Montez, B. Franklin, R. Guardado, B. Altorre, M. Alatorre, R. Veloz, D. Guerrero, G. Sena, R. Flores, C. Alvarado, C. Herrera, I. Chavez, L. Negete, M. Fulsom, L. Gonzalez, A. Cardenas, E. Alatorre, E. Garcia, F. Contreras, J. Ojinaga, E. Diaz

"What's so funny Cynthia?"

This year the Maya Club was involved in many activities. One of their main contributions to the past year's fun was the "gigilo" contest. Many students participated and many just sat back and enjoyed.

Beside the fact that the Maya Club put on events and had fund raisers, the special thing about the group was that they were the one club that took time out to express the pride they have in their ethnic background.

Marcella and Yvette caught by a wandering camera at break.

Chess Club - Check-mate!

Top row, left to right: Vince Rodriguez, Michael Valencia, Second row: Tom Holland, Guy Norton, Mike Pereira, Joe Salcedo, Front row: Juan Orozco, Kevin Solis, John Norton, Jack Pereira, Hector Lopez.

With Fr. Campion's help this club had the chance to learn the real skill of how to play chess. Many lunch hours were spent at a chess board with the common comments of "check mate" and "hurry up before the bell rings!!!". Although this club was not very popular, the people that were involved, enjoyed the game as well as the friends they made.

Tech Crew - Lights, Camera, Action!

J. Duuring, G. Norton, H. Lalanne, J. Ojinaga, M. Meza, F. Contreras, D. Lukasiewicz, M. Periera, J. Gonzalez, J. Orozco, R. Angelo, K. Solis (Pres.) T. Holland, L. Cortella,

The Teck Crew did many wonderous deeds. It seemed that whenever there was a job that needed to done the amazing Teck Crew was there and ready to work. An event did not go by without the help of these people. Many thanks to the hours of hard work, dedication, and determination.

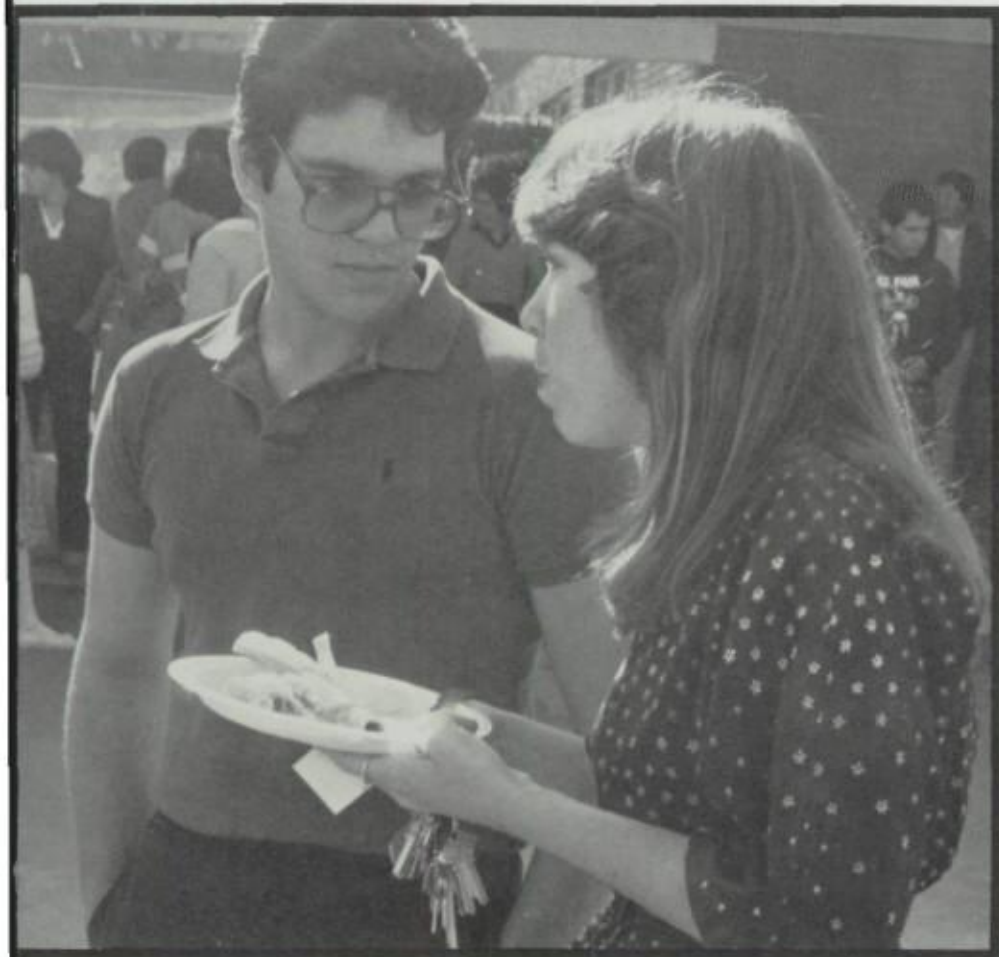

Guy smirks at the camera.

Sword And Shield - "Print It"

Top row, left to right: E. Martin, K. Doran, Y. Osuna, N. Alonza, E. Garcia, C. Rios, G. Sanchez, D. Lukasiewicz (Editor), Mrs. Sova (Moderator), M. Gin, J. Harton, S. Rubio, P. Rodriguez, Second row: T. Ybarra, J. Martinez, J. Holmes, K. Solis, R. Barraza, M. Meza, R. Orellana, Third row: E. Matos, R. Huerta, M. Hernandez, R. Espinosa, D. Guzman, A. Garcia, A. Venegas, J. Mendoza, T. Liakopolis, R. Veloz, A. Whitlet.

A hard working editor takes a break.

Sword and Shield, like any other newspaper, keeps the Pius Community up to date on the latest happenings around the campus. Mrs. Sova and Denise worked hard together to achieve the many goals they had set. With the hard working staff, Denise felt very comfortable in getting things done.

Thanks For The Memories

Marlene takes a break.

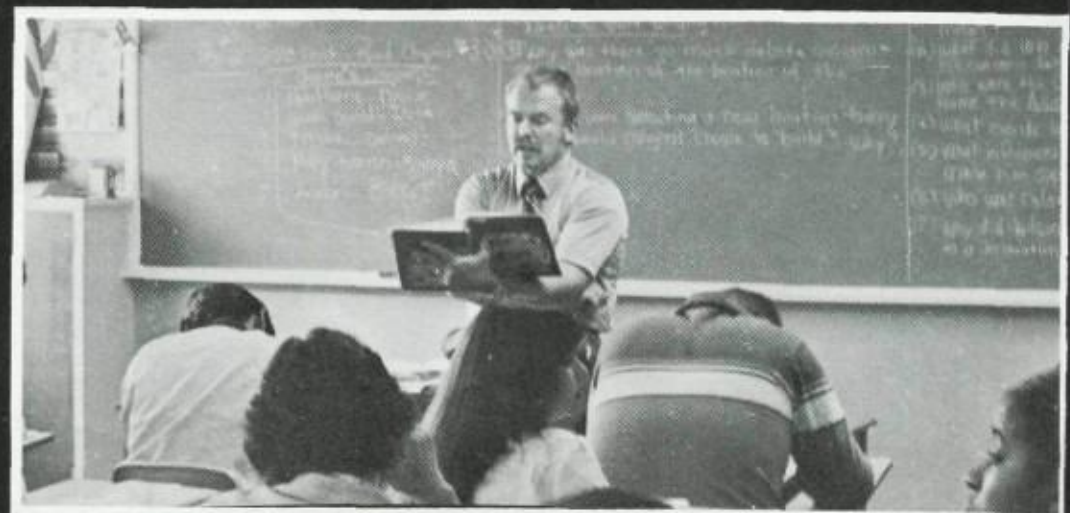

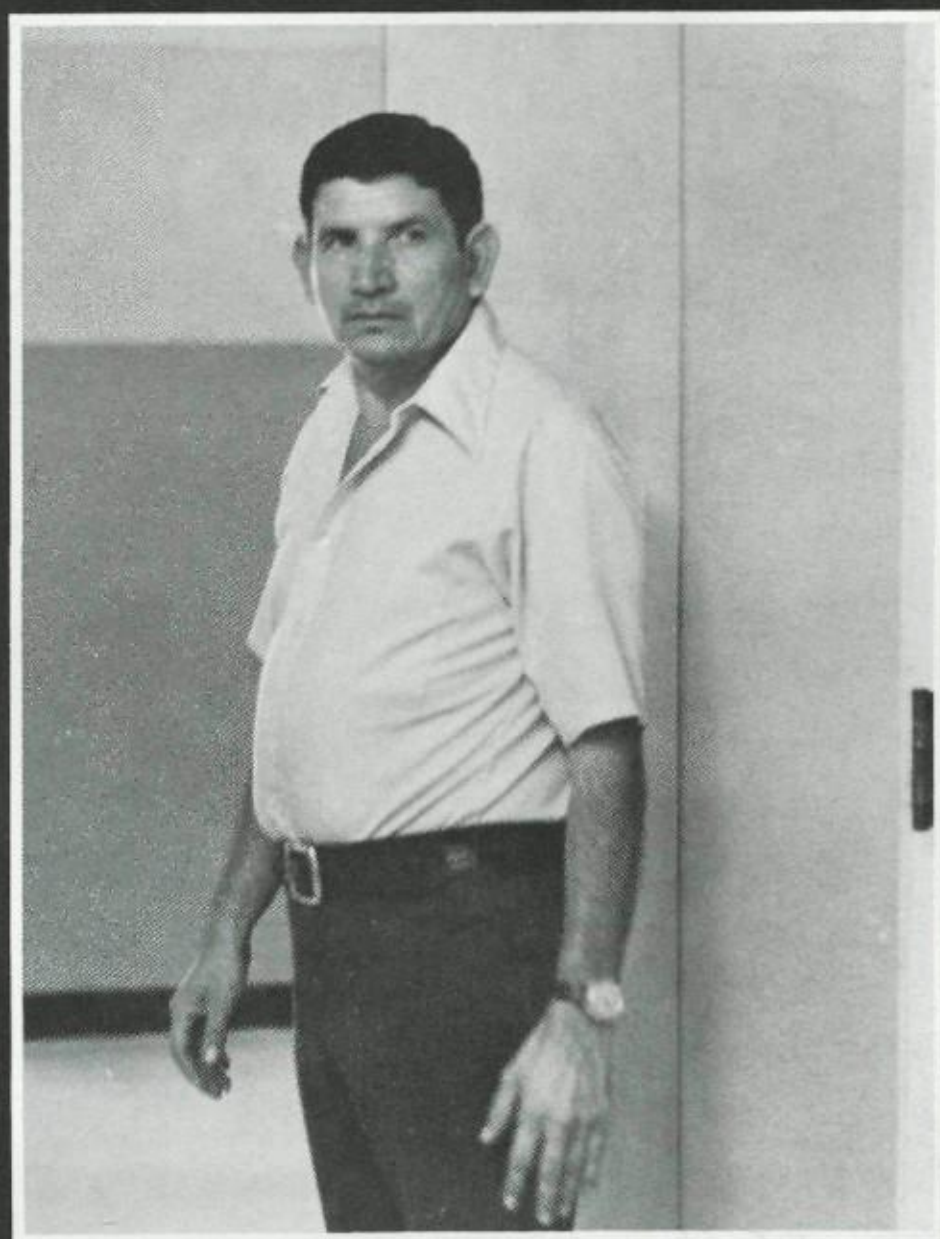

A staff member, on the other side of the camera.

Putting together a good yearbook is a difficult task. It takes a lot of hard work and sincere dedication but with a great staff anything's possible! The 1982 Tiara Staff was one great staff. It consisted of thirty two people which was a much larger group than previous years. These students worked long, hard hours. Conducting book sales, taking pictures and meeting deadlines was just some of it. It was tougher this year because the members had to work, for the most part, on their own due to several changes in moderators. Even though, they made it and for their efforts we say, "Thanks, for the memories".

Fr. Charles Hill
Principal

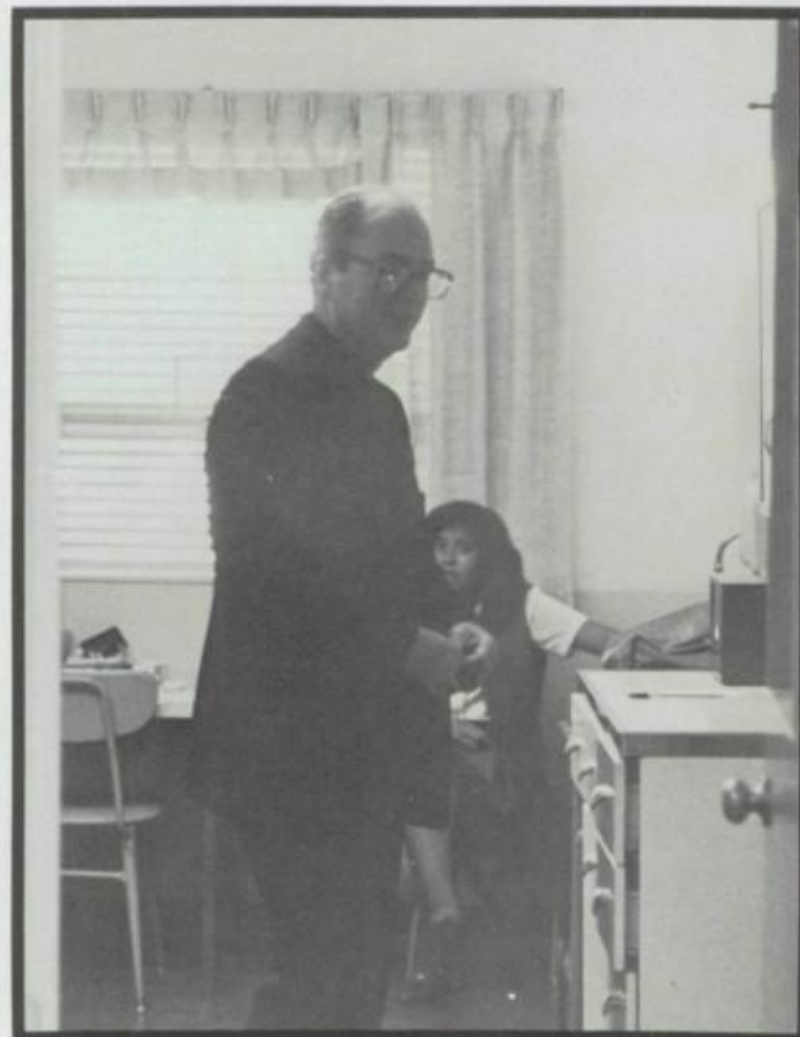

Brightening Up The Arcade . . .

Fr. Hill gives a lesson in agriculture.

"Hey! What are you doing with that camera?"

The open door reveals our busy principal.

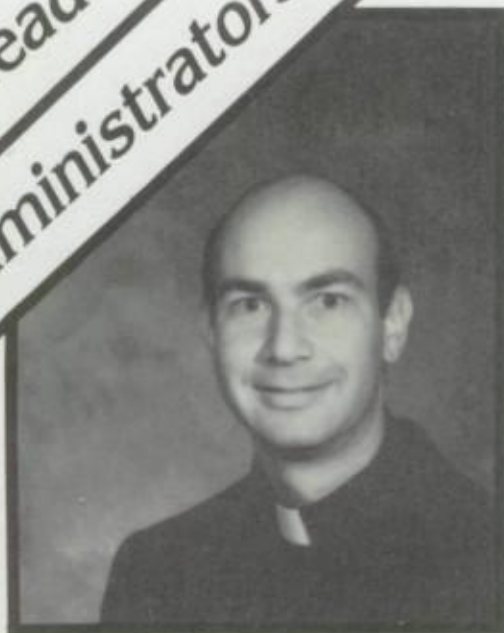

And Giving Thanks Through Prayer . . .

A few of the changes brought about by Fr. Hill are that Pius girls are now wearing uniforms, curriculum is more challenging, and as a result, students are all striving to do their best. The promotion of spiritual development has been encouraged this year through retreats, monthly religious discussions and masses and a daily Eucharistic service. As a result, our Pius family has been brought closer together.

Head Administrators

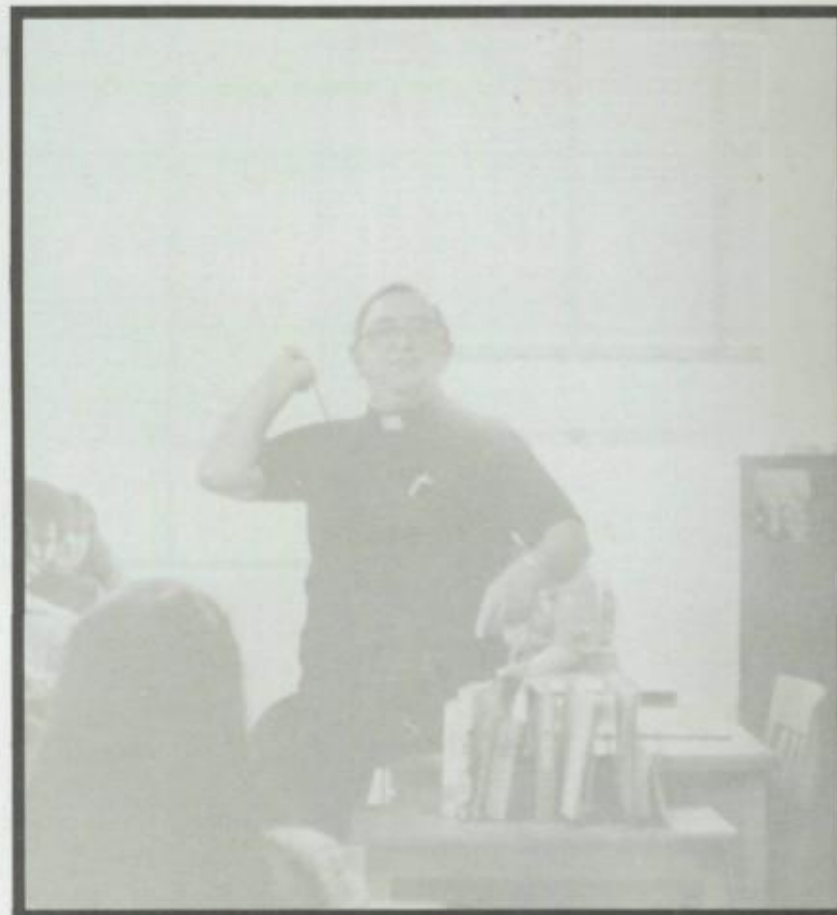

Fr. Bob Folbrecht

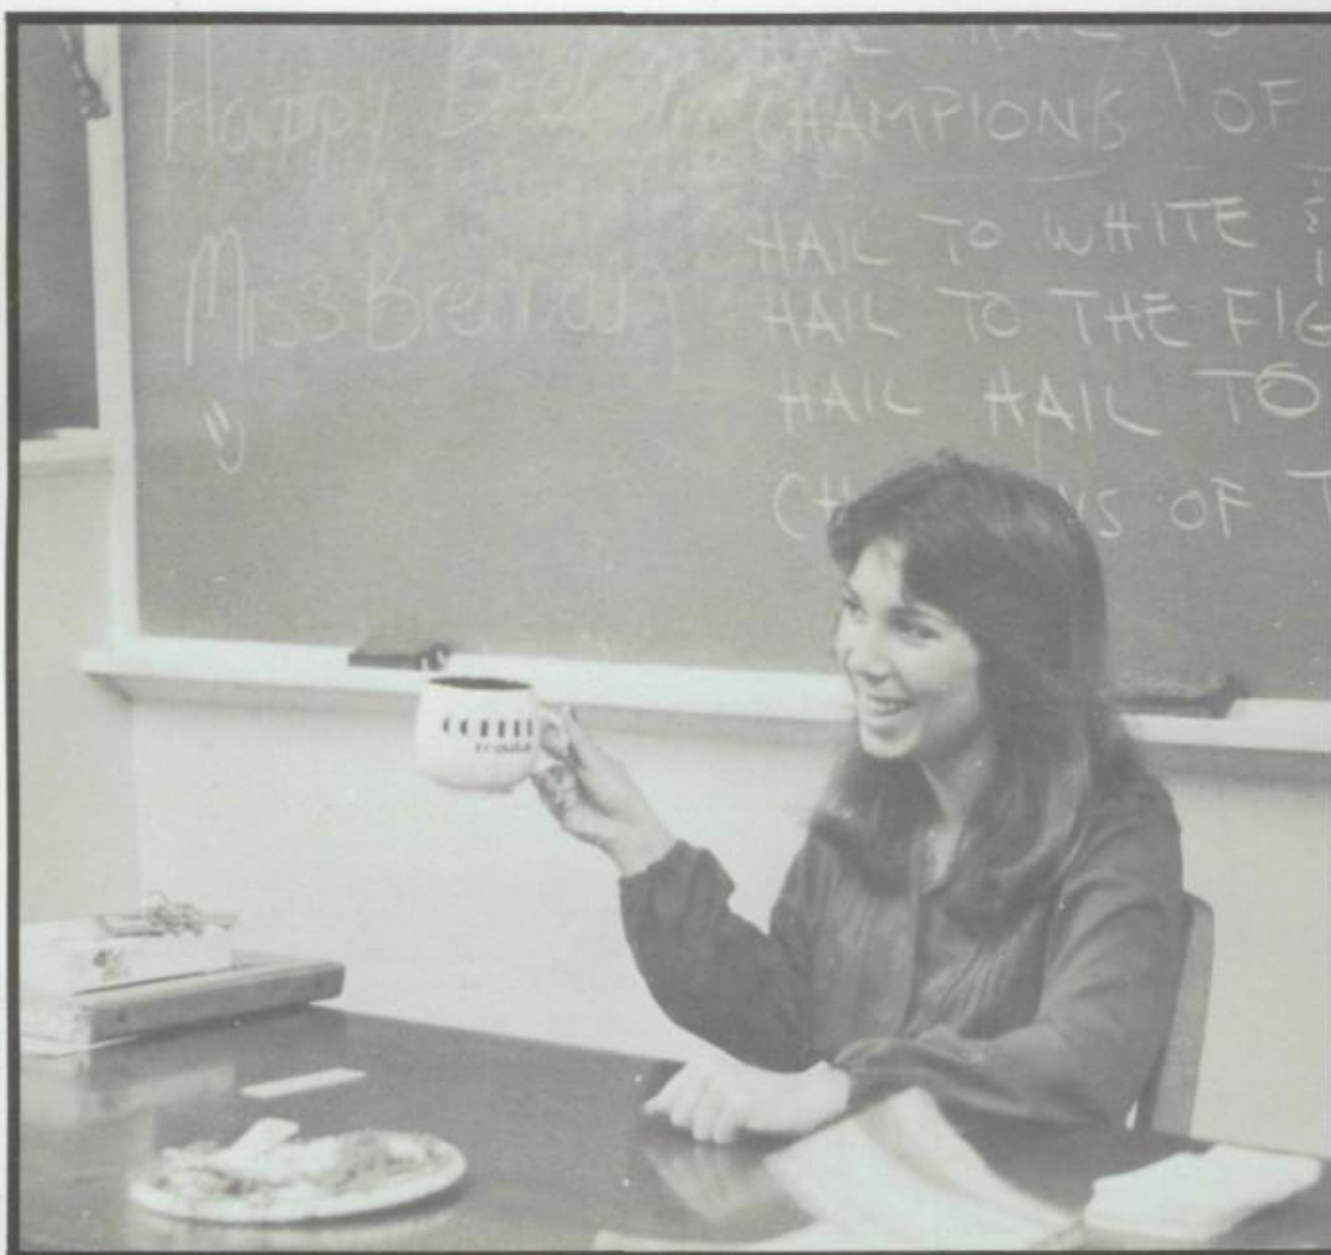

Elizabeth Hodges

The Head Honchos

These teachers have taken on the responsibility of keeping discipline and organization in school activities. We are grateful for their concern and the fine example they set for Pius X students. We are truly shaping into a student body to be admired, as a result of their efforts.

Fr. Campion never fails to get his point across.

That's funny, she never asks for a second cup at home.

... eat the food in the cafeteria?

A step in the right direction

Understanding and guidance are two of the qualities most appreciated in a good counselor. We here at Pius feel lucky to have such counselors as these.

Jorge Galacia

Spiritual leaders

To encourage and develop the personal spirituality of students is the chief concern of the Religion Department. The development of a community faith and a good retreat program are ways in which they hope to achieve this goal. There is a wide variety of religion classes offered at Pius, ranging from Church History to Faith Encounters. There is a program to satisfy everyone's interests in this important and valuable subject.

Miss Sullivan enjoys sharing her experiences with her students.

We take a quick peek into Miss Holycross's religion class.

Ain't English fun?

Concentration on writing skills and grammar are the main objectives of the English Department. Because expression and interpretation are necessities for everyday living and good relationships, our students, through the development of these skills, are better prepared for college and life.

Sister Maura

Julie Walker

James Kason

"I wonder if Shakespeare started this way...?"

Mrs. Walker has a unique and friendly approach to teaching English.

Science

Gisele Kodais

Mad scientists at work

Promoting scientific interests, the Science Department has designed a special program to advance student experience in this field. By studying the sciences, students can better understand the world and how they function within it. Although learning about man's relationship to his environment can be very confusing, a group of teachers such as these caring instructors, inspire students to question, seek and find.

Math has a lot to offer the students at Pius X High School. Unfortunately it is considered to be the least liked subject in the schools curriculum by many a brain weary student. But if we realize the benefits and usefulness of this subject to us in our every day life, we begin to appreciate the abilities acquired through math and the patient teachers who instructed us.

By gathering facts of the surrounding environment, we gain a clearer picture of our world. The Social Studies Department encourages students to be more active and better acquainted with both local and national affairs. You could say that the Social Studies teachers teach students how to live in the world by bringing a part of the world into Pius X.

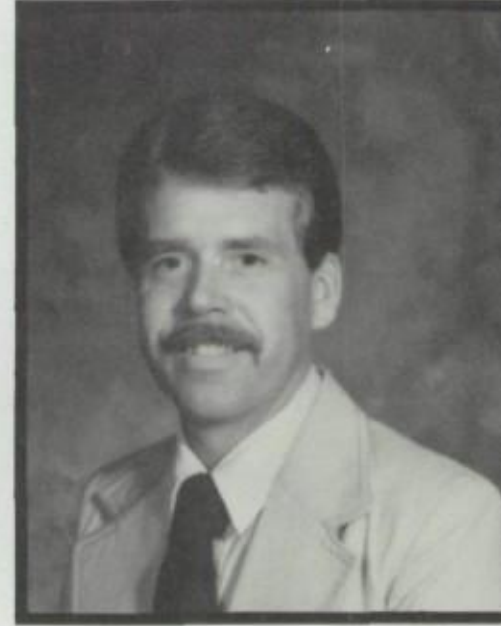

Mr. Boaz's true inner self emerges!

It all sounds foreign to me!

Communication in another language is a rare talent few people can acquire. Yet, the foreign language teachers are helping many Pius students do just that. Students are finding it possible to learn a new form of expression and, with the assistance of one of our competent instructors, they are mastering the language.

"Let's get physical"

Unity of mind and body is important. This is the objective Pius X is striving for with its Physical Education classes. A mind is a terrible thing to waste-so is a body! The P.E. teachers execute a dual task in both exercising our students and instilling in them a healthy spirit of competition.

Now what could these boys possibly be looking at with such amusement?!

Secretaries

Mrs. Reese

One mother happy to donate her time and services to Pius in the infirmary.

"You see I woke up with this sore throat this morning..."

A secretaries work is never done.

Beneficial services are accomplished with competence through the work of our Clerical Staff at Pius. The tasks that they perform are necessary to the continued success of our school. The concern that they show for the students and members of the faculty speaks for itself. We are very fortunate to have such dedicated women working for us.

Overdue!

The library...one of the few quiet places to read, study and do research. Students are grateful for all the help they've received in the past year from the friendly Pius librarians.

Behind The
Scenes At Pius

Mrs. Grace Vitale

They can stand the heat!

Just the mention of cafeteria food conjures up detailed images of unrecognizable and unappealing dishes. But despite the awful rumors of most cafeteria food, Pius X students have little to complain about. The cafeteria crew at Pius can cook up a pretty good corndog or burrito, not to mention an excellent pot of chili. They also do a commendable job at serving up the food to long lines of hungry students.

Like the custodians, the cafeteria crew is appreciated for accomplishing a difficult task.

Mr. Roman

Mr. Morin

Mrs. Amelia Santisteven

The custodians cleanup . . .

The custodians fight a never-ending battle with dirt, grime and trash at Pius X. Crepe paper and balloons are often forgotten during the excitement and confusion of dances and rallies. Yet, miraculously, on Monday morning the campus is ready for another week of school. The custodians spend a great deal of time in helping out with the upkeep of the grounds and gardens at Pius so we can enjoy a tidy and uncluttered campus. Their efforts are greatly appreciated.

To a real super cool and pretty girl  
I had the pleasure of meeting this. You and  
Alicia have been really good friends and I love  
you both. I hope maybe we can get together  
during the summer. I told you girls I'll take you  
out and I really mean it. I will!!! That's if you  
call me or I can call you. The only regret I have  
this year is that I have to leave. I wish I would  
have met you guys earlier. You are real nice and  
Alicia is too.  
I just hope you  
will remember me  
And when I come  
to visit, you girls  
will always talk  
to me. And please don't be stuck up. You girls are  
lovely the way you are, so please stay that way. Well  
I'm so sorry I have to go, but you are welcome  
to call me. I love you both. Good luck next year.  
P.S. You girls are sweet.  
We have to get together  
in the summer

love,

Let the people know you got  
what you need
